EDUCATION

2023 - PRESENT

Kansas State University

Manhattan, KS

Bachelor of Arts in Computer Science

Expected Graduation 2027

Current GPA: 4.0

WORK HISTORY

Jan 2025 - AUG 2025

Canopy, a Public Benefit Company - Student

Software Engineer

Contributed to national-scale web applications while being mentored by experienced full-stack and front-end engineers. Developed features, wrote automated tests, debugged issues, and followed best practices in coding and deployment. Gained hands-on experience with technologies including Python/Django, JavaScript/Vue.js, MySQL, and AWS, while collaborating in a team-driven environment.

AUG 2024 - DEC 2024

Kansas State University - SAS Tutoring Front Desk

Provided front-desk support, assisting students with signing, answering inquiries, and maintaining an organized work environment.

JUNE 2024 - AUG 2024

Enterprise Rent-A-Car - Seasonal Lot Driver

Transported and arranged rental vehicles between locations, ensuring readiness for customers.

Jan 2023 - AUG 2023

Park Hill Support Services - Technology Team

Hardware Department/Summer Assistance - Diagnose and repair student and staff devices, collaboration with peers on projects or required tasks. Uninstallation and installation of desktops, including imaging, cable management, cleanliness, and warehouse management.

SKILLS

Computer Applications: word processing, spreadsheets, and presentations.

Computer Hardware: building and repairing personal computers, troubleshooting and problem solving.

Programing Languages: Python, Java, JavaScript, Vue.js, SQL, and C#.

HP Certification: Certified to service and repair HP devices. Part of internship through Professional Studies

EXTRA CURRICULAR

A+ Program

I have completed fifty hours of A+ approved mentoring and/or tutoring. I worked with young children from K-5th grade in the after-school program at various elementary schools.
